

Hello,

The organizing team of the **Open** (pronounced open) conference invites you to attend our virtual conference **Open 2020** that will be held on the **5th-7th November, 2020**.

The **Open** leading edge technology conference is an annual tech summit that focuses on current technological advancements and trends. After the first hugely successful inaugural event, this year and, due to special circumstances, it has been decided to host a virtual conference with speakers and audience interacting via an online platform.

Open conference is supported by **Nokia Hellas** and the 23 largest **Greek IT ecosystem communities**: Docker, OpenStack, Kubernetes, GFOSS, GOphers, JHUG, Athens Python Users, PyData Piraeus, AWS User Group, Women Techmakers, GreeceJS, UoA ACM Student Chapter, Agile Greece, Agile and Scrum User Group, API Athens, Gitlab Athens, Atlassian, GDG Athens, Singularity University, Open Ecosystem Network, Autoexec.gr, Papers We Love, EuRuKo.

Our vision is to interconnect and foster the local tech ecosystem aiming to gain a prominent position that will evolve to a significant benefit for other companies in the area while eliminating brain drain.

This year, **Open** conference will cover topics on:

- **Infrastructure** (Containers, Cloud, Orchestration, Serverless, Integration and Security)
- **Applications** (AI/ ML, Data Analytics, IoT usecases, Development, Testing and Security practices)

Topics will be provided through presentations and workshops by world-class speakers and experts.

Among distinguished experts from all over the world, we will have the opportunity to attend the keynote speeches of:

- **Ghanshyam Mann**, Cloud Consultant at NEC / OpenStack Technical Committee Member and OpenStack QA PTL.
- **David Foster**, Founding Partner, Applied Data Science Partners, Author of *Generative Deep Learning (O'Reilly)*.
- **Norbert Kraft**, senior researcher in network data intelligence, data mining, machine learning, big data technologies and artificial intelligence at Nokia Bell Labs.

Full list of speakers can be found [here](#).

Tickets will be available in September 2020 at our webpage [here](#).

For further information, we remain at your disposal. Furthermore, we kindly request to share the event with any stakeholders and contribute to spreading the conference mission.

Warm Regards,

The organizing team of the **Open** conference
